The Distinguished Sustained Aerospace Education Award does not have to be awarded every year. This educational recognition will only be awarded when the Aerospace Education Council, as the recommending entity, identifies a deserving individual and their recommendation is approved by the National Awards Committee. This award shall be presented in those instances to an individual AFA member whose AFA record overwhelmingly demonstrates distinguished sustained service in support of the educational mission of the Association over a period of years. *Any AFA member and/or the HQ AFA staff may bring a worthy individual to the attention of the AEC via this nomination form.* The AEC will prioritize its recommendations and forward them to the AFA Awards Committee for their final selection. This award shall be presented at the National Convention or the Air and Space Conference and Technology Exposition at the discretion of the Chairman of the Board.

NOTE: Submit fully completed nomination to [field@afa.org](mailto:field@afa.org) no later than 1 May wherein the nomination will be forwarded to the AEC for consideration.
